

**Table 1 Total number of electoral registrations, by Electorate, February 1999 to December 2003 <sup>1</sup>**

**Due to a production error, previously published tables did not include "Overseas" electors in the total for electors to the European Parliament. This was corrected in September 2008, and this table therefore supercedes any tables published previously**

1 From 2001, the date for which the Electoral Roll is applicable is 1st December. For previous years shown in this table, the reference date was 16th February of the year in question

2 Since 2002 voluntary patients are no longer counted separately and are now included in the main body of the electorate.

3 The total figures for the European Parliamentary electorate were revised in September 2008. Previously published tables did not include Overseas electors in this total.
